

ODP 81-080  
19 January 1981

MEMORANDUM FOR: Deputy Director of Data Processing  
Deputy Director for Applications  
Executive Officer  
Personnel Officer, ODP

FROM: Bruce T. Johnson  
Director of Data Processing

SUBJECT: Rotational Assignment to Office of  
Security

On 15 January 1981 I told the Director of Security that while we could not at present free someone suitable for rotational assignment in OS, we expected to be able to do so in June or July 1981. He understands this to be a firm commitment on our part, and subsequently he confirmed to me that he would allocate a GS-13 position for this purpose.
